

Letter from the President

Welcome to Lord Fairfax Community College (LFCC)! Whether your goal is to transfer to a four-year college or university, pursue education to advance your career, or simply take courses for self-enrichment, we are here to help. Throughout your college experience, you will encounter dedicated faculty and an entire community ready to help you meet your goals.

Students find our courses to be exciting and engaging, and I am confident that you will too. Our commitment to your success begins with top-notch faculty who are experts in their fields and dedicated to teaching. LFCC courses will help you develop critical thinking and problem-solving skills to prepare for the future.

With over sixty-nine academic programs to select from, you have a wide range of options – some that you may never have considered. Transfer articulation agreements are available for a smooth transition to many four-year colleges and universities. In addition, professional development and short-term training courses taught by industry professionals can help you improve your skills to advance in the workplace.

Courses are available in traditional and summer semesters during the day as well as convenient evening, Friday-only, weekend, and shortened sessions including eight-week, ten-week, and twelve-week formats. Many courses are available online, or in a hybrid format. Online courses allow students to attend a course anytime and from any place where they have Internet access. Both online and hybrid classes help you develop technological skills that will be critical to your success in the 21st century global business community.

Regardless of which courses you take, and when, you will have excellent student support services, including financial aid and scholarship assistance, academic advising, career planning, online registration/payment, and tutoring services. Through peer learning and student activities, you will have an opportunity to enrich your personal development beyond the classroom. At every step of the way, we are here to help.

Through its four locations – the Fauquier and Middletown Campuses, the Luray-Page County Center, and the Vint Hill site – the College serves eight localities in the Shenandoah Valley and Piedmont regions. The localities are the counties of Clarke, Fauquier, Frederick, Page, Rappahannock, Shenandoah and Warren and the city of Winchester.

Congratulations on choosing LFCC, where it is our mission to provide a positive, caring and dynamic learning environment that inspires student success, values diversity and promotes community vitality. You are now surrounded by a supportive community who care about your education, who share your aspirations and who claim your dreams as their own. We look forward to helping you reach your goals!
