<sup>2</sup>Students should check with the institution to which they are transferring in order to determine the most appropriate history course(s) to take at LFCC. For students intending to take more than one history course, a sequence beginning by taking HIS 101, 111, or 121 is preferred prior to 102, 112, or 122.

<sup>3</sup>Students should check with the institution to which they are transferring in order to determine the most appropriate math course to take at LFCC.

<sup>4</sup>A one-year sequence of biology, chemistry, geology, or physics is recommended. However, depending on the requirements of four-year institutions, two one-semester courses in difference sciences may be substituted with advisor approval.

<sup>5</sup>Note that CST 100 can be used to fulfill the humanities elective.
