

LFCC ADVISING WORKSHEET

Program: AA&S General Studies Human Services Specialization Catalog Year: 2016-2017

Advisor:

Program purpose: A significant number of college undergraduate students desire a more comprehensive two-year general degree program than the conventional curriculum. The Human Services Specialization allows students the flexibility of moving into transfer programs in psychology, social work, human services, sociology and other fields.

¹List of approved electives.

²Students should check with the institution to which they are transferring in order to determine the most appropriate history course(s) to take at LFCC. For students intending to take more than one history course, a sequence beginning by taking HIS 101, 111, or 121 is preferred prior to 102, 112, or 122.

³Students should check with the institution to which they are transferring in order to determine the most appropriate math courses to take at LFCC.

Students interested in pursuing a Bachelor of Science degree in human service areas like psychology, social work, and counseling may need a statistics course (MTH 240) for transfer.

⁴A one-year sequence of biology, chemistry, geology, or physics is recommended. However, depending on the requirements of four-year institutions, two one-semester courses in different sciences may be substituted with advisor approval. For Social Work transfer students, BIO 101 is recommended as one of the required lab courses.

⁵Recommended that students take SOC 200 and PSY 200.

⁶Recommended that students choose from the following electives: HMS 141, ADJ 100, 105, 107, 140, SOC 211, 215, 225, 266, 268, PSY 215, 230. Students are advised to meet with an academic or faculty advisor for optimum course selection for desired major and transfer institution. For Social Work recommendations include PSY 215, PSY 230, SOC 266 or 211. For Psychology, PSY 215 and PSY 230 recommended.

⁷Admission to this coordinated internship requires completion of a minimum of 24 college credits that must include the following courses with a grade of C or better: ENG 111, HMS 100, HMS 121, and 2 SOC and/or PSY electives. Students will be required to purchase a basic background check for admission to the Coordinated Internship and may be required by participating agencies to complete additional background screenings. Additionally, students must interview with the HMS program lead and complete the procedures outlined in the HMS Internship Handbook prior to enrollment in this course.

The College reserves the right to make changes to any provision or requirement within these sources, as well as changes to any curriculum or program, whether during a student's enrollment or otherwise.
