<sup>2</sup>Students should check with the institution to which they are transferring in order to determine the most appropriate history course(s) to take at LFCC. A one-year sequence in Western Civilization (101/102), World Civilization (111/112), or American history (121/122) is recommended. However, depending on the requirements of four-year institutions, two –one-semester courses in different sequences may be substituted with advisor approval.

<sup>3</sup>Students should check with the institution to which they are transferring in order to determine the most appropriate math courses to take at LFCC.

<sup>4</sup>A one-year sequence of biology, chemistry, geology, or physics is recommended. However, depending on the requirements of four-year institutions, two one-semester courses in different sciences may be substituted with advisor approval.
