		<b>Total</b>	<b>69</b>		

The College reserves the right to make changes to any provision or requirement within these sources, as well as changes to any curriculum or program, whether during a student's enrollment or otherwise.

**ADMISSION REQUIREMENTS:** Acceptance into the ADN program is selective and competitive. Submission of an application does not guarantee acceptance into the ADN program. Applicants not selected for the program must complete and resubmit a new application packet each year. Applicants for the ADN program are selected one time per academic year.

1. Application to Lord Fairfax Community College (LFCC) and the nursing program.
2. Graduation from high school or satisfactory completion of the certificate of general education development (GED or equivalent); official copy required.
3. One unit of high school biology and one unit of high school chemistry; or college equivalents (BIO 101; CHM 101 or CHM 111).
4. BIO 141 and 142 (Must have been completed within the past 8 years.) The student can be currently enrolled in BIO 142 in the spring; the acceptance to the nursing program will be conditional based upon the final grade of a "C" in BIO 142.
5. LFCC placement tests (if required) and completion of any developmental work that may be identified by the placement test. Must place into ENG 111 and show proficiency in MTE 1-6.
6. A GPA of 2.5 or higher based on the twelve most recent college credits completed by the end of fall semester prior to submitting a nursing application.
7. Meet certain computer competencies prior to entering the nursing program. Applicants are required to review and sign, "Essential Computer Competency Checklist." Students without the required skill set are encouraged to enroll in ITE 115. See requirements here:  
<http://www.lfcc.edu/wp-content/uploads/2015/03/ADN-Computer-Competency.pdf>
8. Completion of the required HESI admission assessment exam components scoring at or above the 45<sup>th</sup> percentile in each required component which includes reading comprehension, anatomy and physiology, math and the composite score.
  - HESI critical thinking exam learning style and personality profile are also included in the required HESI admission exam.
  - Two attempts on the HESI admission exam are permitted per application cycle.
  - **Nursing entrance exams are good for 2 application cycles only. NOTE: Needed entrance exam scores (at or above the 45%) change on a yearly basis.**

Pre-Nursing students are **strongly encouraged** to view the nursing information sessions posted on the nursing website.
