

## LFCC ADVISING WORKSHEET

Program: AA&S General Studies: Recreation & Outdoor Leadership Specialization

Advisor:

Catalog Year: 2016-2017

**Program purpose:** A significant number of college undergraduate students desire a more comprehensive two-year general degree program than the conventional curriculum. The Recreation and Outdoor Leadership specialization allows students the flexibility of moving into transfer programs in parks and outdoor recreation, sports management, tourism and events management, therapeutic recreation and similar fields of study.

<sup>1</sup>Lists of approved electives. PSY 200, 215, and 230 may be needed for those entering Therapeutic Recreation. Check with your transferring institution.

<sup>2</sup>Students should check with the institution to which they are transferring in order to determine the most appropriate history course(s) to take at LFCC. For students intending to take more than one history course, a sequence beginning by taking HIS 101, 111, or 121 is preferred prior to 102, 112, or 122.

<sup>3</sup>Students should check with the institution to which they are transferring in order to determine the most appropriate math courses to take at LFCC.

<sup>4</sup>A one-year sequence of biology, chemistry, geology, or physics is recommended. However, depending on the requirements of four-year institution, two one-semester courses in different sciences may be substituted with advisor approval. BIO 141 and BIO 142 is recommended for students entering into Therapeutic Recreation.

<sup>5</sup> Students may elect to take an addition PED or RPK courses to fulfill the transfer elective.

**NOTE:** Recreation and Outdoor Leadership courses may require additional fees.
