

LFCC ADVISING WORKSHEET

Program: Certificate Surgical Technology

Catalog Year: 2016-2017

Advisor:

Program purpose: The 12-month Surgical Technology Program at LFCC is academically rigorous and offers educational components in the classroom and clinical environment. Surgical Technologists are integral members of the surgical team who work closely with surgeons, anesthesiologists, registered nurses, and other allied health professionals delivering patient care before, during, and after surgery.

Check	Course	Title	Credits	Grade	Notes
First Semester					
	HIM 111	Medical Terminology	3		
	BIO 141	Anatomy and Physiology I	4		
	SUR 140	Introduction to Surgical Care	4		
	SUR 145	Fundamentals of Surgical Care I	4		
Second Semester					
	BIO 142	Anatomy and Physiology II	4		
	SUR 250	Surgical Pharmacology	2		
	SUR 210	Surgical Procedures	8		
	SDV 101	Orientation for Health Professions ¹	1		
Third Semester					
	ENG 111	College Composition I	3		
	BIO 150	Microbiology	4		
	SUR 260	Surgical Technology Clinical Practicum	6		
	SUR 296	On-Site Training*	3		
		Total	46		

¹SDV 100 may be substituted for SDV 101.

* Surgical Technology Students must have 120 documented cases to complete the program. 80 of those cases must be in the first scrub role and 40 cases in the second scrub role.

The College reserves the right to make changes to any provision or requirement within these sources, as well as changes to any curriculum or program, whether during a student's enrollment or otherwise.

Accreditation Status: The program is accredited by CAAHEP (Commission on Accreditation of Allied Health Education Programs).

ADMISSION REQUIREMENTS:

In addition to the general admission requirements established for the College, entry into the Surgical Technology Program requires:

1. Completion of LFCC application for admission
2. High school diploma or GED – Official transcripts must be forwarded to the Admissions and Records Office at LFCC
3. LFCC placement tests and completion of any developmental work that may be identified by the placement test. Must show competency in MTE 1-6 and readiness for ENG 111 to satisfy requirements without taking remediation.
4. Completion of high school Biology with a grade of C or better
5. Completion of a Surgical Technology Program application
6. Completion of an operating room observational experience as scheduled by the Surgical Technology clinical instructor
7. Completion of Physical exam and CPR certification after accepted into the program
8. Completion of TEAS 5 test
9. Completion of criminal background search, finger printing, drug screen, and physical screening as required to the satisfaction of affiliating clinical agencies
10. All fees charged for required testing, liability insurance, books, uniforms, criminal background search, drug screen, and physical screen are the responsibility of the students.

The College reserves the right to make changes to any provision or requirement within these sources, as well as changes to any curriculum or program, whether during a student's enrollment or otherwise.
