

Associate of Arts and Sciences Degree in Liberal Arts

650

AREA: Liberal Arts

DEGREE: Associate of Arts and Sciences Degree

LENGTH: Four semesters (two-year) program

PURPOSE: The associate of arts and sciences degree program in liberal arts is designed for students who plan to transfer to a four-year college or university to complete a baccalaureate degree program, usually the bachelor of arts degree, in the liberal arts or social sciences. Students in the program may wish to major in the following fields: American studies, anthropology, art, communication, economics, English, geography, government, history, humanities, journalism, library science, literature, music, philosophy, pre-law, psychology, religion, sociology or theatre arts.

TRANSFER GUIDELINES: The associate of arts and sciences degrees (AA&S) and associate of science (AS) offered by LFCC are designed to provide freshman and sophomore level course work toward the completion of a bachelor's degree. The AA&S and AS degree programs require students to take essentially the same courses as required by their university/four-year college counterparts.

To help facilitate the transfer process, LFCC has created an online 'Transfer Guide' that provides detailed information such as tuition, GPA, application requirements, course equivalents, and other information that may be useful in the transfer process. The transfer guide can be found at www.lfcc.edu/transfer. The Virginia Community College System also offers a Transfer Planning Tool on the Virginia Educational Wizard, which can be found at www.vawizard.org.

Students should begin preparing for transfer as early as possible. Steps in this process include: making a career decision, identifying colleges which offer the intended program of study, examining available transfer information and college catalogs, exploring Guaranteed Admissions and Transfer agreements, talking with transfer representatives, identifying program prerequisites, researching the academic competitiveness of the institutions and program under consideration, attending open house events offered by the colleges and exploring financial aid and housing opportunities.

LFCC offers many services and programs to assist the transfer student. Students are encouraged to seek the assistance of an advisor or counselor to gain additional information to plan a successful transfer experience.

Course#	Title	Credits
First Semester		
SDV 100	College Success Skills	1
ENG 111	College Composition I	3
MTH	Mathematics Elective ¹	3
CST	Communications Elective ¹	3
ITE	Information Literacy Elective ¹	3
	Physical Education <u>or</u> Health	1
	Total	14
Second Semester		
ENG 112	College Composition II	3
HIS	History Elective ¹	3
	Fine Arts Elective ¹	3
	Social Science Elective ¹	3
	Humanities Elective ¹	3
	Total	15
Third Semester		
ENG	Literature Elective ¹	3
	Science with Laboratory ^{1,3}	4
	Humanities Elective ¹	3
	Social Science Elective ¹	3
	Foreign Language Elective ¹	3-4
	Total	16-17
Fourth Semester		
	Science with Laboratory ^{1,3}	4
	Global Studies Elective ¹	3
	Foreign Language Elective ¹	3-4
	Approved Transfer Elective ²	3
	Approved Transfer Elective ²	3
	Total	16-17
	Program Total	61-63

¹Lists of approved electives can be found on page 43.

²Students should check with the institution to which they are transferring in order to determine the most appropriate transfer course(s) to take at LFCC.

³A one-year sequence of biology, chemistry, geology, or physics is recommended. However, depending on the requirements of four-year institutions, two one-semester courses in different sciences may be substituted with advisor approval.
