

Articles Worksheet Answers

*Articles have been omitted from the following paragraph.
Insert the articles a, an, and the where English requires them.*

An apple **a** day really does keep **the** doctor away. Our culture is used to associating oranges with staying healthy and preventing illness. However, **the** orange is only one of **the** natural remedies provided by Mother Nature, and it is not as powerful as some other options. Apples and broccoli have been proven to have more of **the** needed nutrients and vitamins necessary to fight illness than oranges. Yet, society has not accepted this fact. When someone develops **a** cold or **the** flu and travels to **the** store to purchase medication, many of **the** options are orange flavored or orange colored. Not many, if any, of **the** medication options will be apple flavored or will advertise the “New broccoli flavor!” When will society accept **the** more powerful fruit and vegetable over **the** orange? Perhaps they never will.
