

Lord Fairfax Community College
Study Abroad Program

A Semester with Mester

12 June 2017 - 7 July 2017

Spanish Spanish 201 and 202 combined (6 credits)

The following services are included in the program fee:

- 80 hours of Spanish immersion classes: Four classroom hours per day, Monday through Friday.
- Round trip transfers by private bus from Madrid Barajas International Airport to Salamanca.
- Welcome reception and farewell dinner.
- An orientation program in Salamanca consisting of a meeting with a Mester staff member who will provide local area information and walking tours of the city.
- Housing in Salamanca: Two students per host family, or in a double room. Three meals per day provided 7 days per week, plus cleaning of the room and one weekly laundry service while in Salamanca (additional washes may be arranged with the host-family/residence for an extra charge). Supplement in single room: 3€ per day.
- Day excursions by charter bus to: Ávila, Segovia, and Madrid.
- A cultural program that includes a variety of weekly activities and visits to local attractions, as well as cooking and dance classes and/or sports for the duration of the program.
- Course in Spanish life and culture consisting of weekly lectures on art, history, literature, cinema and /or meetings with local experts.
- Access to the student computer lab located at the Mester Center with free Internet access.
- Local medical insurance coverage, which includes coverage for accidents while traveling between locations and during scheduled activities in Spain.
