Note: The CAT was administered in Spring 2019 to two sections of NSG 152, one section of ENG 241, and one section of ENG 242. These courses were selected because students who take them have completed most general education requirements. The courses include students in both CTE and transfer programs. National norms for skill areas are the sum of the means for related questions. Questions are mapped to multiple skill areas. QEP goal 1 SLOs 1 and 5 and goal 2 SLO 1 map to evaluate & interpret and problem solving.
